The Children's Library is designed to serve young patrons to approximately sixth grade school level and their families. We offer various storytime sessions and stimulating, interactive programs throughout the season, including an ongoing Summer Reading Program which begins near the end of June.

Library programs are free and all are welcome to attend.

**Baby Storytimes** are 20-25 minutes long and are followed by a short craft and socialization in the Picture Book Room. All children age 3 and under are welcome to attend.

**Toddler Storytimes** are 20-25 minutes long and are also followed by a craft. All children age 3-5 are welcome to attend.

**All storytime start times are listed on the calendar.**

**Saturday Crafts** are for children of all ages and can be completed in about 15-25 minutes. Craft times last from 11am-2pm and are listed on the calendar.

**Special Programs** are offered at varying times and can include storytimes, crafts, library tours, small projects, or special performers.

*Registration is not required for these programs. Programs could be cancelled or postponed, so it is a good idea to call ahead and confirm.*
